# Company Summary

We are proud franchise owner of Bebrite Cleaning Services and providing satisfactory services in Illawara region. Bebrite cleaners have been servicing most Illawara SUBURBS and only working with Bebrite, not an agency, not book on-line, but offering a genuine, affordable, professional, reliable and friendly personalised cleaning service.

All Bebrite house cleaners only use Bebrite environmentally safe cleaning products. It is mandatory for All Bebrite house cleaners to have Bebrite national insurance cover which includes \$20ml product & public liability and goods in care. Bebrite is a genuine Australian company where you will receive personalised attention to your cleaning requirements.

Our cleaners are trained to listen and to help by meeting your budget and by only doing what you ask and to make sure it's done perfectly. Our commitment is to meet your house cleaning expectations with our 100% customer satisfaction guarantee. Our teams are professional, affordable and reliable. Your satisfaction is our commitment.

**Over**  
250,000 Cleans

Our microfiber cloths, which capture dust and dirt rather than move it around, last longer than traditional cotton.

**100%**  
Satisfaction

A money-back guarantee, also known as a satisfaction guarantee, if a buyer is not satisfied with a product or service.

**Eco-Friendly**  
Cleaning Products

Because indoor pollution rates are typically higher than outdoor pollution rates, we take dust removal seriously.

**Cost**  
Effective

Precision cleaning is required throughout such a broad range of modern industries that it might be more.
